WE WILL INSPECT ALL ITEMS AT DROP-OFF AND WILL RETURN THOSE THAT DO NOT MEET OUR CRITERIA. ALL ITEMS MUST BE TAGGED CORRECTLY.

PLEASE NOTE

The appearance of your items will do much to help them sell!

- Clothes that are clean, smell fresh, and pressed with buttons & zippers closed, look newer and generally sell better. Closing buttons will keep them from being torn off by other hangers that get caught in them, & having zippers fastened allows the item to hang properly on the hanger.
- Sets tend to sell better (under size 10) than separate items, so match things up if you can. Shoes must be clean & in excellent condition. Toys which require batteries must include them.
- Baby furniture, equipment, & toys should be clean, have all parts, & any small pieces should be in a ziploc bag, securely attached to the main part with mailing tape or ribbon. Clear packaging tape is great for securing the bags so smalls hands cant reach in. Equipment needs to be completely assembled at drop off. (No assembly done on sight.)
- If you bring a car seat, please call the Dept. of Transportation at 1-800-424-9393 to make sure it has not been recalled.
- Spend a little extra time getting your items ready. Starch, a little bleach, an iron. or a needle & thread work wonders. (We are always trying to make sure that as a shopper, you don't have to sift through items that are not in good condition. Please help us maintain high standards by checking through your items before bringing them in.)

Pin sets securely together with pants hung on the backside of the hanger, over the shirt and pinned at the waist catching the hanger to support pants (see picture).
- *2. Use only 3x5 index cards. Fill out cards following the diagram to the right. Use the middle of the card to give a short description of your item. - *3. Use one inch or larger safety pins to pin on tags. (no tiny gold pins or straight pins please and absolutely no staples) placing the pin horizontally and catching the garment twice.

5. Group small items together in a ziploc bag, card pinned on outside of bag. For shoes, please attach card to the shoes, not the box.
